

Week 10 Tutorial: Operating Systems I

Preparation

Before this tutorial, you are expected to have read Topic 2 – Chapter 3, pages 293 – 308 of the textbook.

Aim

The aim of this tutorial is to develop your understanding of how operating systems work.

Questions

- Questions 1 – 4 on page 305 of Topic 2 – Chapter 3
- Questions 1 – 5 on page 308, 309 of Topic 2 – Chapter 3

Reflection

- Why is not there just one operating system? Why are not there dozens of them? Why are there really only three?
