Week 3 Tutorial: Digital Images

Preparation

Before this tutorial, you are expected to have read Topic 1 Chapter 3, pages 57 - 91 of the textbook.

Aim

The aim of this tutorial is for you to become familiar with how images are manipulated in a computer.

Questions

Attempt questions 1-14 of the review questions from Topic 1 Chapter 3, pages 92 - 95.

Answers to tute questions will be released during the following fortnight.
